

Procedure & times to consult with Dr. Chao (page 1 of 2)

1. Available time to consult with Dr. Chao is typically:
8:30-9:00 am Pacific time , Monday thru Friday.
2. Doctors can expect consultations to be **5-10 minutes**
3. Please answer all items on the checklist and submit any relevant photos, scans & X-rays. All information is required before a consultation time can be made.
4. **In the case of an emergency** with a patient, Dr. Chao will do his best to assist you during the day or evening after hours but he does have a full schedule Monday-Friday.
5. **Please call our office at (626) 308-9104** at scheduled consultation time.
(We do not send reminders)

(See Checklist on Page 2)
